Dear Parishioners of Holy Redeemer Parish Cluster,

I would like to share with you a few things of interest for the good of our Parish Cluster.

1) **Parish CD's at the back of the Church**

As we approach the 1st year anniversary of implementing this evangelization ministry into our Cluster, I wish to thank John & Lorrie Van Heck for their dedication and commitment. John and Lorrie have been stocking the Kiosks with new and exciting CD's and what they have done for so many parishioners is a blessing from God. Many parishioners have shared with me that they have really enjoyed them and that they are learning more and more about their Catholic faith every time they listen to one. I pray that you keep enjoying them as new ones keep arriving.

2) **Thursday Evening DVD Catechesis Series**

As we approach the 1st anniversary of implementing this evangelization ministry into our Cluster, I thank Richard and Val Walter for all they do. They are pleased with the weekly attendance and are always open to have more parishioners join them.

3) **Parish and Finance Council has passed** that we move ahead and hire a full-time Pastoral Minister to work within our cluster. An ad hoc committee has been formed to begin the hiring process. In the near future I will let everyone know what this new role of ministry entails and how important this person will be in working with our Pastoral Team.

4) **Sacred Heart Roof Update**

On Saturday, August 14th, the Building Commission and members of the Finance committee are meeting with the Diocese of London to discuss and review a proposed condition report submitted by Allan Avis Architect. Following this meeting, I will give all parishioners an update.

5) **A note from the Office of our Bishop Ronald P. Fabbro**

A reminder that any communication you may have received from an organization known as "The Fatima Crusader" based in Fort Erie, ON, has not been approved by any officials of the Holy See or any other recognized Church agency. The organization's financial campaigns are highly suspect and have been the cause of distress and scandal among many trusting contributors, particularly the elderly. I discourage the faithful of the diocese from contributing to this cause.

God Bless,
Father Greg
